

AGENDA ITEM #16

To: Mayor Dahlquist and City Council Members
From: Skyler Beebe, Pocatello Regional Transit Director
Date: October 22, 2026
Re: Piggyback Bid Acceptance

Staff recommends the piggyback purchase from the State of Georgia contract via ABC Companies for the purchase of three (3) urban and three (3) rural light duty buses in the total amount of \$1,032,978.54. If approved, the buses will replace others that have exceeded their useful life in both miles and years.

Funding for the buses is provided through the department's previously awarded Federal Transit Administration 5339 urban and rural grants which require an 80% federal share and 20% local match. The local match, in the amount of \$103,297.85 urban and \$103,297.85 rural, is available in the department rural and urban capital funds. No city funds are used in the rural program. Delivery is anticipated in late spring FY2027.
